RACE CALENDAR

Race calendar includes: 3 Latvian rounds, 1 extra European League event in the Netherlands, and 1 exclusive surprise Super Stage.

* STAGE 5 The format and schedule of the fifth round will be confirmed by 30 August 2026.

PRE-ORDER RESERVATION POLICY, TERMS & CONDITIONS

- To confirm your participation in the stage, a deposit of 500 EUR is required.
- This deposit is non-refundable, except in cases of force majeure or if Blue Shock Race (BSR) is informed in a timely manner.
- The remaining balance of 1000 EUR must be paid no later than 10 days prior to the stage.
- Limited seats available – early booking recommended.

After this date, orders are processed only at full price, in accordance with the prices listed on the BSR website.

WHAT YOU NEED TO KNOW

- ✓ Free of charge - Fully managed charging system at every race event from BSR
- ✓ Quick battery swap (~ 3 minutes) for batteries (no need to wait for charge)
- ✓ Highest safety, FIA Homologated Chassis / CE-certified BSR systems
- ✓ Rain? No problem — we also race in wet conditions (water-resistant equipment)

WHO CAN PARTICIPATE?

Participation is open to everyone, with or without prior karting experience.

- ✓ **14+ years old**
- ✓ A valid LAF karting licence or an international karting licence (we assist in obtaining it for those who do not yet have one).

*Drivers without prior experience must arrange extra mandatory training before the event by contacting BSR in advance.

X5 Classes - Participants will compete in two categories:

X5 PRO Class

- Drivers under 70 kg – juniors / pro
- Minimum weight: 185 kg (kart + driver + equipment)

X5 Open Class

- Drivers over 70 kg - masters
- Minimum weight: 200 kg (kart + driver + equipment)
