# RACE CALENDAR

Race calendar includes: 3 Latvian rounds, 1 extra European League event in the Netherlands, and 1 exclusive surprise Super Stage.

\* STAGE 5 The format and schedule of the fifth round will be confirmed by 30 August 2026.

## PRE-ORDER RESERVATION POLICY, TERMS & CONDITIONS

- Orders are confirmed only after 10% deposit payment is received (non-refundable, order deadline: 10.05.2026)
- Minimum participation: 3 rounds in the 2026 season (Estimated race costs per event: ~€500 incl. entry, tires, etc.)
- Exclusive launch pricing limited to first 20 units (Orders beyond 20 units revert to standard pricing)

\*After this date, orders will be processed only at full price, according to the prices listed on the

## WHAT YOU NEED TO KNOW

- Free of charge - Fully managed charging system at every race event from BSR
- Quick battery swap (~ 3 minutes) for batteries (no need to wait for charge)
- Highest safety, FIA Homologated Chassis / CE-certified BSR systems
- Rain? No problem — we also race in wet conditions (water-resistant equipment)

## WHO CAN PARTICIPATE?

Participation is open to everyone – with or without prior karting or motorsport experience.

- ✓ 14+ years old
- ✓ A valid LAF karting licence or an international karting licence (we assist in obtaining it for those who do not yet have one).

\*Drivers without prior experience must arrange extra mandatory training before the event by contacting BSR in advance.

## X5 Classes - Participants will compete in two categories:

### X5 PRO Class

- Drivers under 70 kg – juniors / pro
- Minimum weight: 185 kg (kart + driver + equipment)

### X5 Open Class

- Drivers over 70 kg - masters
- Minimum weight: 200 kg (kart + driver + equipment)
